Decision: On basis of the new documentation in technical file, the existing certificate 404/99/651 can be updated to cover an inspection based on EN 381-11:2002 and EN 340:2003. A new certificate can be issued. The brand can be changed to Husqvarna. The received documentation will be put in our archive.

Yours sincerely,

SMP Svensk Maskinprovning AB
